10. Consequences Of Termination

- 10.1 On termination of the Contract for any reason:
 - 10.1.1 The Client shall immediately pay to STS all of STS's outstanding unpaid invoices and interest and, in respect of the Services supplied but for which no invoice has been submitted, STS shall submit an invoice, which shall be payable by the Client immediately on receipt.
 - 10.1.2 The Client shall return all of the Supplier Materials and any Deliverables which have not been fully paid for. If the Client fails to do so, then STS may enter the Client's premises and take possession of them.

Until they have been returned, the Client shall be solely responsible for their safe keeping and will not use them for any purpose not connected with the Contract.

10.1.3 The accrued rights, remedies, obligations and liabilities of the Parties as at expiry or termination shall not be affected, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination or expiry; and

10.1.4 Clauses which expressly or by implication have effect after termination shall continue in full force and effect.

11. Force Majeure

11.1 For the purposes of these Terms & Conditions, "**Force Majeure Event**" means an event beyond the reasonable control of STS including but not limited to strikes, lock-outs or other industrial disputes (whether involving the workforce of STS or any other third party), failure of a utility service or transport network, act of God, war, riot, civil commotion, malicious damage, compliance with any law or governmental order, rule, regulation or direction, accident, breakdown of plant or machinery, fire, flood, storm or default of suppliers or sub-contractors.

11.2 STS shall not be liable to the Client as a result of any delay or failure to perform its obligations under these Terms & Conditions as a result of a Force Majeure Event.

11.3 If the Force Majeure Event prevents STSL from providing any of the Services for more than 90 Business Days, STSL shall, without limiting its other rights or remedies, have the right to terminate the Contract immediately by giving written notice to the Client.

12. Assignment & Sub-Contracting

12.1 STS may at any time assign, transfer, charge, sub-contract or deal in any other manner with all or any of its rights under the Contract and may sub-contract or delegate in any manner any or all of its obligations under the Contract to any third party or agent.

12.2 The Client shall not, without the prior written consent of STS, assign, transfer, charge, sub-contract or deal in any other manner with all or any of its rights or obligations under the Contract.

13. Notices

13.1 Any notice or other communication required to be given to a Party under or in connection with these Terms & Conditions shall be in writing and shall be delivered to the other Party personally or sent by prepaid first-class post, recorded delivery or by commercial courier, at its registered office (if a company) or (in any other case) its principal place of business, or sent by fax to the other Party's main fax number.

13.2 Any notice or other communication shall be deemed to have been duly received if delivered personally, when left at the address referred to above or, if sent by pre-paid first-class post or recorded delivery, at 9.00 am on the second Business Day after posting, or if delivered by commercial courier, on the date and at the time that the courier's delivery receipt is signed, or if sent by fax, on the next Business Day after transmission.

13.3 This Clause 13 shall not apply to the service of any proceedings or other documents in any legal action. For the purposes of this Clause 13, "writing" shall not include e-mails and for the avoidance of doubt notice given under these Terms & Conditions shall not be validly served if sent by e-mail.

14. Waiver

14.1 A waiver of any right under these Terms & Conditions is only effective if it is in writing and shall not be deemed to be a waiver of any subsequent breach or default. No failure or delay by a Party in exercising any right or remedy under these Terms & Conditions or by law shall constitute a waiver of that or any other right or remedy, nor preclude or restrict its further exercise. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that or any other right or remedy.

14.2 Unless specifically provided otherwise, rights arising under these Terms & Conditions are cumulative and do not exclude rights provided by law.

15. Severance

15.1 If a court or any other competent authority finds that any provision of these Terms & Conditions (or part of any provision) is invalid, illegal or unenforceable, that provision or part-provision shall, to the extent required, be deemed deleted, and the validity and enforceability of the other provisions of these Terms & Conditions shall not be affected.

15.2 If any invalid, unenforceable or illegal provision of these Terms & Conditions would be valid, enforceable and legal if some part of it were deleted, the provision shall apply with the minimum modification necessary to make it legal, valid and enforceable.

16. No Partnership

16.1 Nothing in these Terms & Conditions is intended to, or shall be deemed to, constitute a partnership or joint venture of any kind between any of the Parties, nor constitute any Party the agent of another Party for any purpose. No Party shall have authority to act as agent for, or to bind, the other Party in any way.

17. Third Parties

17.1 A person who is not a Party to these Terms & Conditions shall not have any rights under or in connection with it.

18. Variation

18.1 Except as set out in these Terms & Conditions, any variation, including the introduction of any additional terms and conditions, to these Terms & Conditions, shall only be binding when agreed in writing and signed by STS.

18.2 STS reserves the right to amend these Terms & Conditions from time to time as may be required by STS in its course of business.

19. Mediation

19.1 In the event of a dispute between the Parties arising out of or in connection with these Terms & Conditions, the Parties agree to engage in mediation moderated by an independent mediator in an effort to resolve such a dispute prior to the initiation of any formal legal proceedings.

19.2 Costs arising in connection with the operation of Clause 19.1 shall be split equally between the Parties.

20. Governing Law & Jurisdiction

20.1 These Terms & Conditions, and any dispute or claim arising out of or in connection with them or their subject matter or formation (including non-contractual disputes or claims), shall be governed by, and construed in accordance with, English law, and the Parties hereby irrevocably submit to the exclusive jurisdiction of the courts of England and Wales.
